Phone(s) _____

Email _____

Snacks and beverages will be provided. Please bring your omnibus and a chair.

We will be looking for riders to demonstrate each of the new tests through Fourth Level. Riders at Training and First may be asked to ride two tests. This will be a show-type environment, meaning that you will present the test as if you were being judged and as correctly as possible. With that in mind, we ask that demo riders are prepared to show, or at a minimum be schooling the majority of movements required, for a level ABOVE what you will present at the clinic.

Clinic attire, limited stabling available. Day stall \$10, reserve early. Facility may require coggins and/or health certificate TBD at a later date. Contact Shannon at lemons_shannon@yahoo.com if you are interested. Please provide your name, contact information, horse's name and the test/level you would like to present, as well as a brief description of show/training history. Auditing is no charge for demo riders, current RMDS membership required.
